Professional Summary

Registered Nurse and Assistant Administrator of an adult day services organization since 2007, responsible for personnel management, direct supervision of staff in a daycare center and in-home care, and the coordination, implementation, and evaluation of nursing services delivered to elderly and disabled clients in clinical and home settings. Former Clinical Nurse Supervisor for the South Carolina Department of Public Health, with staff supervision and clinical management responsibility across public health clinics and home care services. Clinical background includes maternal and child health, immunizations, communicable diseases, and family planning.

Professional Experience

Assistant Administrator

2007 – Present

Tri-County Adult Day Services, Inc.
Cheraw, SC

- Personnel management and direct supervision of staff in a daycare center and in-home care.
- Coordination, implementation, and evaluation of nursing services delivered to elderly and disabled clients in clinical and home settings.
- Oversight of non-emergency medical transportation (NEMT) services for clients.

Clinical Nurse Supervisor

2003 – 2007

South Carolina Department of Public Health
Chesterfield, SC

- Staff supervision and clinical management for the public health department to ensure appropriate and timely services in all clinics and home care services, including maternal/child health, immunizations, communicable diseases, and family planning.

Maternal Child Health Nurse

2000 – 2003

South Carolina Department of Public Health
Chesterfield, SC

- Lead coordinator for maternal health services, including nutrition services for premature and low-birth-weight babies, immunizations, special-needs children, and prenatal and postpartum women.
